

AOTA 2023

21-22
January
2023

1st International Conference on Advanced Optimization Techniques and Applications

<https://aota.co.in>

Special Session

Futuristics of Internet of Things and machine learning

Session proposer

Dr. Sapna singh Kshatri
SSIPMT, Raipur

Dr. S. K. swarnakar
SSIPMT, Raipur

Dr. J P Patra
SSIPMT, Raipur

List of Session Topics (but not limited to)

1. IoT Architecture, Prospective Applications, and Key Challenges
2. Internet of Things (IoT)-based cloud applications
3. The Function of Machine Learning Techniques in Cloud-Based IoT Applications
4. Machine learning techniques on IoT
5. IoT based Healthcare Systems
6. Data Security Circumstance Analysis using Machine Learning and Internet of Things (IoT)
7. Future Distributed IoT Network Attacks, Issues, and Solutions for Blockchain Security
8. IoT and Raspberry pi using python
9. Machine Learning supports IoT devices in anticipating the future
10. Wearable Technology Solutions for Smart Healthcare using IoT

Publications

There are various publication opportunities in AOTA-2023. Authors can choose any one option from the followings:

Publication Option 1: Authors can choose their paper to publish in the world famous **Scopus Indexed AIP Conference Proceedings** (Approval Received).

Publication Option 2: Papers will be published as chapters in different edited books of world famous and highly reputed international publishers including but not limited to Scivener - Wiley, Apple Academic Press to name a few.

Online Presentation facility available

To submit paper scan

To submit paper visit:

<https://easychair.org/conferences/?conf=aota2023>

Associated Journals

International Journal of Operations Research and Information Systems (**Scopus**)
International Journal of Information Systems and Supply Chain Management (**Scopus**)
International Journal of Business and Globalisation (**Scopus**)
International Journal of Business Analytics (**Scopus**)
and many more.....

Important Dates

Full paper submission : 20/12/22
Final paper acceptance : 30/12/22
Registration deadline : 05/01/23
Conference Date : 21-22 January, 2023

Registration Fees

	Option1 (AIP)	Option2
Students/Research Scholars	₹ 11000	₹ 4000
Faculty Members / Academicians	₹ 11500	₹ 4500
Industry Persons	₹ 12000	₹ 5000
Listener (with certificate)	₹ 500	₹ 500
Co-authorship Certificate	₹ 500	₹ 500

Organised by

Ramgarh Engineering College

(Estd. by Govt. of Jharkhand & Run by Techno India Under PPP)

In Collaboration with

Sultan Moulay Slimane University, Morocco
City University, Malaysia

In Association with

The Internet Society (ISOC), Kolkata , **Adonic Informatics** & **Society for Data Science : S4DS**
