

AOTA 2023

21-22
January
2023

1st International Conference on Advanced Optimization Techniques and Applications

<https://aota.co.in>

Special Session

Social and Information Network Analysis using Big Data and Web of Things

Session proposer

Dr. Bhuvaneshwari A

VIT, Chennai

List of Session Topics (but not limited to)

1. Analysis of social structures via Social and Information Networks using ML
2. Mobility characterization and modelling
3. Analysis and modelling of optimization dynamics in Social Networks
4. Characterization of users' behavior in smart cities
5. Early detection of critical phenomena in the cyber and physical worlds using Artificial Intelligence
6. Models of individual and social behaviour through Social Networks big data during the pandemic
7. Content-Aware Big Social Data Communications, Analytics and Fusion for Future Web of Things
8. OSNEM monitoring and analysis for the protection of users and critical infrastructures
9. Prediction of (near-)future events based on Social Networks data analysis
10. OSNEM data-driven approaches to study COVID-19 related phenomena
11. Pandemic tracking and control via Social Networks big data analysis
12. Privacy-preserving big data analytics for human behaviour characterization

Publications

There are various publication opportunities in AOTA-2023. Authors can choose any one option from the followings:

Publication Option 1: Authors can choose their paper to publish in the world famous **Scopus Indexed AIP Conference Proceedings** (Approval Received).

Publication Option 2: Papers will be published as chapters in different edited books of world famous and highly reputed international publishers including but not limited to Scriver - Wiley, Apple Academic Press to name a few.

Online Presentation facility available

To submit paper scan

To submit paper visit:

<https://easychair.org/conferences/?conf=aota2023>

Associated Journals

International Journal of Operations Research and Information Systems (**Scopus**)
International Journal of Information Systems and Supply Chain Management (**Scopus**)
International Journal of Business and Globalisation (**Scopus**)
International Journal of Business Analytics (**Scopus**)
and many more.....

Important Dates

Full paper submission : 20/12/22
Final paper acceptance : 30/12/22
Registration deadline : 05/01/23
Conference Date : 21-22 January, 2023

Registration Fees

	Option1 (AIP)	Option2
Students/Research Scholars	₹ 11000	₹ 4000
Faculty Members / Academicians	₹ 11500	₹ 4500
Industry Persons	₹ 12000	₹ 5000
Listener (with certificate)	₹ 500	₹ 500
Co-authorship Certificate	₹ 500	₹ 500

Organised by

Ramgarh Engineering College

(Estd. by Govt. of Jharkhand & Run by Techno India Under PPP)

In Collaboration with

Sultan Moulay Slimane University, Morocco
City University, Malaysia

In Association with

The Internet Society (ISOC), Kolkata , **Adonic Informatics** & **Society for Data Science : S4DS**
